I would like to be a member of the Dove's Landing Farm 2019 Community Supported Agriculture program. I understand that the farmers will do their best to provide all they have promised, but that I will share in the risks and harvest of the growing season. **This is a non-refundable contract**, but as a shareholder, I can transfer it to someone else of my choosing if necessary as long as I notify Dove's Landing Farm 24 hours prior to transfer.
